MESSAGE FROM THE CLUB EXECUTIVE

The Club Management Committee would like to welcome back our returning families and extend a very warm welcome to all new members for the 2018 / 2019 season.

2018/19 Club Management Committee

President Claire Humphries <u>president@thegapasc.org.au</u>

Vice-President Glen Sanderson <u>vice-president@thegapasc.org.au</u>

Treasurer David Metzger <u>treasurer@thegapasc.org.au</u>
Secretary Kathryn Jay <u>secretary@thegapasc.org.au</u>

As a group, we pride ourselves on the work we do towards achieving the Club principles of:

- Providing development pathway opportunities for children in the sport of swimming;
- Facilitating an environment that ensures fairness of competition;
- Encouraging and strengthening community interaction; and
- · Having fun and competing as a club.

Our Club has a long and proud history. The Club was formed in **1968** at The Gap State School pool and now with almost 50 years of active swimming and competition by children from The Gap community. Due to large community membership and wishing to see the club continue long into the future, the club was incorporated as a not-for-profit organisation in 2017 as 'The Gap ASC Inc' however still known as "The Gap Gators" continuing our affiliation with Brisbane Swimming, Swimming Queensland and Swimming Australia. There are not many Clubs around with the longevity such as ours.

We encourage all families to join with the spirit that has seen swimmers try hard each week to do a personal best and enjoy the fun of "having a go". Many of our Club swimmers over the years have also competed at the District, Regional, State, National and International level including a former breastroke world record holder a 'Gators' junior.

Building upon the success from the previous season we will continue with the following activities on Club Nights:-

- Encourage our youngest swimmers to swim 25m with assistance if required
- Having all four (4) strokes and Individual Medley on the program each week if time allows:
- 25, 50 and 100m races in each of the strokes
- "Record Challenges", whereby swimmers may nominate that they are challenging to break a club record on Club Night;
- Special/Memorial races such as Rebecca Brown Relay, etc.

In being accepted as a member of The Gap ASC Inc you are also agreeing to become involved with Club Night activities, and we look forward to your active involvement in canteen, timekeeping, BBQ duties and marshalling. Come and make yourself known to one of the Committee Members and we will ensure your inclusion. Many strong and enduring friendships have been made on pool deck amongst the parent groups over the years.

Your children will derive unquestionable friendship, fitness and skill development from their involvement, a lifetime connection with this wonderful sport. We are sure the more you get involved the more you will get out of it.

It is important to be accurate to be fair to the Marshalling staff.
- At Club Nights children have the opportunity to swim all four (4) strokes, the Individual Medley or other events as scheduled. These events are rotated from week to week as noted in the Season Schedule.
- Swimmers are entered for each stroke in 25m, 50m or 100m distances if they have reached the required qualifying time. Individual Medley is offered over 100m or 200m. A swimmer must have swum 25m of each stroke to be eligible to nominate for the 100m Individual Medley.
- 100m stroke swims are offered for 2 strokes alternating each club night due to time constraints.
 A swimmer qualified for 100m in a stroke that is not raced over 100m that club night is able to swim in the 50m stroke event.
- Swimmers must wear swim caps when swimming

GRADING OF SWIMMERS

- Club swims are based on a system of swimmers competing against other club members with similar times, irrespective of age and gender.
- All new club members must be able to swim at least 25m freestyle non-stop. Regardless of age, all new club members are encouraged to swim 25m at their first club swim for each stroke with inpool assistance for our younger swimmers. Swimmers will automatically progress to the next distance on achieving the qualifying time.
- Swimmers must swim 50 or 100 metres once they have achieved the qualifying time for that stroke (exception is if 100m event is not swum on club night then 50m may be swum).
- Current members' best times will be calculated from the previous season.
- When a faster time is recorded, this time becomes the swimmer's new personal best time.

QUALIFYING TIMES

• Swimmers qualify to progress from 25m to 50m to 100m, or in the case of the Individual Medley from 100m to 200m by attaining the following qualifying times at a Club Night.

Freestyle	24 sec	40 sec	
Butterfly	27 sec	50 sec	
Backstroke	28 sec	50 sec	
Breaststroke	29 sec	55 sec	
Individual Medley			1.35:00

- Swimmers are not allowed to leave the pool enclosure until completion of their last swim.
- Once in the pool swimmers are not to sit on the lane ropes, as this causes undue stretching and premature failure of the wire.
- A competitor should listen for marshalling calls and wait quietly in the marshalling area until directed to go to the starting block.
- Swimmers with open wounds or contagious skin conditions are not to enter the pool. This is a government health regulation, which cannot be waived.

CLUB RECORDS

Criteria:

- Swimmer must be a current paid financial member of The Gap ASC Inc.
- Swimmers must be competing for The Gap ASC Inc at the event in which the time is swum.
- Age is taken from the age at date of setting time. If a Club Record is broken at a "Year of Birth" carnival, the member must notify the club swimming coordinator in writing.
- Records can only be set at BSA/SQ sanctioned events or on nominated The Gap Club Nights (see below), whereby sufficient time keepers/judges are available to meet BSA/SQ guidelines.
- If Club members have a Personal Best (PB) time within 2% of a Club Record time, they may selfnominate that they wish to challenge an existing Club Record on Club Night, as long as that event is already on the programme. Club Members, who have qualified to swim 50 metre events and wish to challenge 25 metre records, may do so no more than three (3) times within a season. The nomination for "Record Challenge" must be made with the nomination for events for that Club Night.
- Where Club Records have been set at pools other than The Gap, the member must notify the Club swimming coordinator in writing of the event details and time, so that the performance may be ratified by the Club.
- Records will only be kept for events that are swum at the Club Championships, Club Sprint Championships or Coach's Cup.
